4. Cookies, Google-Analytics, Third parties

Our website may use information storage (commonly known as cookies) to make it easier for you to use our website and to allow us to track certain statistical information that helps us to improve our website. Our cookies do not contain any personally identifiable information. Most browsers are initially set to accept cookies. If you wish, you can deactivate the use of cookies in your Internet browser and delete existing cookies. However, please note that this may affect the quality of our website. For more information, please refer to the online help of your browser.

Our website uses Google Analytics, a web analytics service provided by Google Inc. ("Google"). Google Analytics uses so-called "cookies", text files that are stored on the user's computer and enable an analysis of their use of the website. The information generated by the cookie about the use of this website by users is usually transmitted to a Google server in the USA and stored there. If IP anonymization is activated on this website, the IP address of the user will be shortened beforehand by Google within member states of the European Union or in other contracting states of the Agreement on the European Economic Area. Only in exceptional cases will the full IP address be sent to a Google server in the USA and shortened there. IP anonymization is active on this website. On behalf of the operator of this website, Google will use this information to evaluate the use of the website by users, to compile reports on website activity and to provide other services related to website activity and internet usage to the website operator.

The IP address transmitted by your browser as part of Google Analytics will not be merged with other Google data. Users can prevent the storage of cookies by setting their browser software accordingly; However, this offer points out to users that in this case

you may not be able to use all the functions of this website to their full extent. Users can also prevent the data generated by the cookie and related to their use of the website (including their IP address) being sent to Google and the processing of this data by Google by using the browser plug-in available under the following link download and install:

Our website contains content from third parties, such as maps from Google Maps, RSS feeds or graphics from other websites. This presupposes that the providers of this content (hereinafter referred to as "third-party providers") perceive the IP address of the users. Because without an IP address, they cannot send the content to the browser of the respective user. The IP address is therefore necessary for the display of this content. We endeavor to only use content whose providers only use the IP address to deliver the content. However, we have no influence on third-party providers storing the IP address, e.g. for statistical purposes.

5. Security

We take all appropriate organizational and technical measures to ensure optimum security for your personal data. You have the right to information about the processed data held about you, but with certain legal restrictions. We would like to point out that you have the right that we correct your incorrect personal data or delete it if there is no legal obligation to retain it.

6. Changes / Revocation / Disclaimer

We reserve the right, at our sole discretion, to modify, add or remove portions of this Statement.

All information provided on our website has been created and checked to the best of our knowledge and belief. We are not liable for any damage resulting from the use of the information provided on the website. We are not liable for any damage caused by computer viruses when accessing or downloading data or installing or using software. We expressly reserve the right to change, supplement or delete individual websites or the entire offer without prior notice or to temporarily or permanently discontinue publication.
